Team,

Please see the attached draft consent decree modification. Devon had previously updated it and I added on. You will see several comment bubbles throughout. Some date back to the previous version, although most require your present review. Highlighted in yellow are comments to CRW. Highlighted in green are comments directly to the team. We will scrub any of the comments to the team before circulating to CRW.

This team is scheduled to have a call on 11/16 to go through the document, if you submit written comments in advance, please send 1 consolidated version from DEP, and 1 consolidated version from EPA. We can go comment by comment on 11/16, however, any comments we can resolve in writing in advance will facilitate our goal to get the document to CRW on 11/19, in advance of Thanksgiving week.

Ex. 5 Deliberative Process (DP)

If you have questions before next Tuesday please let me know.

Thanks,
Brad
